Report of Principal and School Improvement Council

This is an exciting time for Murray LaSaine Elementary School, a proud, family-like neighborhood school located on James Island. Currently, Murray LaSaine offers traditional CD-5th grade classes, as well as five new Montessori classrooms. As we look to the future, we are excited about this opportunity to offer the Montessori curriculum to our current and future families. We achieved Absolute and Growth ratings of "Average" on the 2013 school report card. Our school met all the objectives necessary to fulfill requirements for ESEA with a score of "A". In recognition, we were again awarded the state's Palmetto Silver Award for achievement. Our students, teachers, staff, parents, and community members all worked together to successfully achieve these results.

Small class sizes in Montessori and traditional classrooms led by teachers who diligently teach the South Carolina Curriculum Standards ensure optimal success for all of our students. Our continued implementation of the Voyager Reading program, the My Math Mathematics program, and the comprehensive Montessori curriculum, coupled with the support of Reading and Math interventionists, provides vital individualized support for our children. Using student performance data to drive instruction, our teachers plan lessons that meet the unique needs of each student.

Murray LaSaine regularly seeks the involvement and support of our parents, families, and community. Parent conferences, Parent Math and Literacy Events, PTA meetings, monthly Principal's Coffee Club meetings, monthly newsletters, and parent call-outs all enhance our level of family and community engagement. We continue to add innovative school and community events. Along with these efforts, our PTA, SIC, and Title 1 committees continue their work to build connections between our school, our families, and our community.

Chick-Fil-A, Earth Fare, James Island County Parks and Recreation, McDonalds, Walmart, local churches, and community organizations are among our valued community partners. These partnerships provide resources and opportunities that greatly enhance our school, allowing us to meet the needs of our students, one student at a time. Thanks to a partnership with James Island County Park, every first and second grade student in our school was able to participate in a new "Learn to Swim" program.

It is with the support of our families and community members that we are able to continue to strive for excellence and to provide the best possible education for each child, ensuring the establishment of life-long learners for our future. At Murray LaSaine Elementary School, "All means all!"

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	74.5
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Murray-LaSaine Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
